Vs

IInd Additional District and Sessions Judge, District Dehradun and 11 others. .....Respondents

Sri Sharad Sharma, learned counsel for the petitioner.
Sri Gopal Narain Srivastava, learned brief holder for the respondent No.1

Hon'ble B.S.Verma, J.

Heard Sri Sharad Sharma, learned counsel for the petitioner and Sri Gopal Narain Srivastava, learned brief holder for the respondent No.1.

This Court has passed the order on 20-3-2007, which provides as under:-

"The writ petition is allowed. The impugned order dated 7-12-2006 is hereby set aside. The application 243-C moved by the petitioner/objectors before the court below is allowed. The court below shall permit the petitioners to incorporate the amendments in their objections within a week from the date of production of certified copy of this order. The respondent No.1 shall proceed to decide the

objections of the petitioners registered as S.C.C. Misc. Case No.4 of 2004, expeditiously, in accordance with law, preferably within a period of eight weeks from the date of amendments without being influenced by any observations made by this Court in the body of this order. Both the parties shall cooperate in the expeditious disposal of the proceedings before the court below".

The petitioner has moved the application for further two weeks extension of time for incorporating the amendments before the court below as per order aforesaid.

The grievance of the petitioner is that the petitioner filed certified copy of the order before the court below on 10-4-2007 but the petitioner could not incorporate amendments by 17-4-2007. The petitioner therefore filed application before the court below for extension of time for which the court below has expressed its inability in view of the order passed by this Court.

In the interest of justice, the petitioner is allowed one week further time from today to incorporate the amendments in their objections before the court below. To this extent this order shall form part of earlier order dated 20-3-2007 to this extent.

Time extension application is disposed of accordingly.
